## Privacy Statement

This privacy statement applies to any processing of personal data on **hellodigitalsolutions.com**. Personal data in this regard shall mean any information relating to an individual who can be identified, directly or indirectly, in particular by reference to an identifier of that individual. Processing shall mean any operation which is performed on personal data, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction. We will process personal data only actively provided by you. Such personal data may contain your name and contact details. Hello Digital Solutions collects and uses personal data only to provide you with the services you requested, to administer your contact record, identify you and to communicate with you. Your personal data can be erased on your specific request. With your email address you can subscribe to our informational emails that provides you with the latest news about our services if you consent to receiving such emails. You can unsubscribe from this service by opting-out. We do not use your personal data for automated decision making or sending to third party recipients. This website uses Google Analytics, a web analytics service provided by Google, Inc. Google Analytics uses cookies to help us analyse how users use the website, and uses Google Analytic's IP anonymisation function. Hello Digital Solutions may change or update the Privacy Statement document without notice. All such changes will take effect once they have been posted on the website. It is your responsibility to monitor such updates. If you are concerned about use of the data or have any questions regarding this privacy statement, please contact our data protection officer (DPO) via provided email address.

**By completing contact form, you confirm that you have read the Privacy Statement and understood and accept the terms of use.**
